

BUG REPORT

Field	Details
Bug ID	BUG_001
Title	User is able to log in using an invalid or unregistered email address
Module	Login & Authentication
Application	Skyscanner
Environment	QA Environment, Chrome Browser, Windows/macOS
Priority	High
Severity	Critical
Precondition	User is on the Skyscanner Login page.
Steps to Reproduce	1. Open the Skyscanner website. 2. Click Sign In. 3. Enter an invalid or unregistered email address (e.g., test12345@gmail.com). 4. Continue with the login process. 5. Observe the application behavior.
Expected Result	The application should validate the email address and display an error message such as "Email address not found" or "Please enter a registered email address." The user should not be able to proceed with login.
Actual Result	The application allows the user to proceed with the login process even when an invalid or unregistered email address is entered.
Status	New
Reported By	TEAM 5 (Dracarys)
